THE WELCOME SCREEN

When you first log-in, this is the screen you will see

The screenshot displays the Web-ED/XAM-NET Welcome Screen. At the top, a navigation bar includes links for '<-- Previous', 'Next -->', 'Show Profile', 'Log Off', 'Show Outline', 'Add Bookmark', 'Title: Course Overview', and 'Page 1 of 83'. The main content area is titled 'Welcome to WebED1755' and contains a welcome message from the New York State Education Department. Below the message, there are two columns of links: a left column with 'WELCOME TO 17-55 Life, Accident & Health (WebED1755)' and a right column with 'Main Outline Discussion Forum Exam Center Course Schedule Profile Log Off'. A 'Switch Course...' button is located at the bottom left. The right sidebar features a 'Preparing You to PASS Your Licensing Exam on Your FIRST Attempt' section, followed by a link to 'Web-EDsurance™ and XAM-NET™ work and belong together.'

Welcome to WebED1755

Thank You for choosing **GLOBAL EDUCATION INSURANCE SCHOOL** as your ONLINE Insurance Licensing Preparation Provider. Our Online Courses are Approved by the New York State Insurance Department and the New York State Education Department, Bureau of Proprietary School Supervision to satisfy the required **Pre-Licensing Education requirement**. When you successfully complete this course you will receive a **Certificate of Completion** which earns you the right to sit for the appropriate Insurance Licensing Examination.

Web-EDsurance™ is our ONLINE Insurance Licensing Preparation Course and **XAM-NET™** is our Online Learning Measurement & Evaluation Tool. Both programs are an integral part of your Licensing Preparation and essential tools for having you first earn your Certificate of Completion and then Pass your state licensing examination. We have but **ONE GOAL in Mind:**

Preparing You to PASS Your Licensing Exam on Your FIRST Attempt

Web-EDsurance™ and **XAM-NET™** work and belong together.

THE LEFT MENU

Your Name	Your full first & Last Name will appear here
Course Information	The current course you are logged-into
Main	The Main Welcome screen
Outline	Shows course Outline (same as above). NYSID requires you to pass each chapter topic before moving on to your next chapter. The outline has limited mobility and may only access your next chapter and chapters you have completed
Discussion Forum	Here you can post questions and read other posts from students with Instructor replies
Exam Center	Shows chapter quizzes you've completed, and practice final exams prior to your Monitored Final
Course Schedule	This will not apply to you. It is for classroom courses only
Profile	Your Profile information
Log Off	Logs you out. Please always remember to log out when you finish a session and bookmark your last location
Switch Course	You will be able to access XAM-NET™ and your Monitored Final from here. You will not have a menu option for your Monitored Final exam until AFTER you complete the course. YOU MAY NOT ENTER THE FINAL EXAM APART FROM A MONITOR BEING PRESENT!
Calendar	The Calendar is for classroom courses only

PRACTICE FINAL EXAM

When you complete your course you will be able to take as many practice Final Exams you need to prepare yourself for your Monitored Final Exam. The Practice Final is the last screen in the course. You cannot access this page until you complete your course. Practice Finals are weighted and time exactly like your Monitored Final ... Three hours to answer 100 Questions.

We suggest you not schedule your Monitored Final until you pass two practice exams with a minimum score 75%.

State Approved Monitors will typically **charge a fee** for their services.

MONITORED FINAL EXAM

When you complete your course you will be granted the opportunity to take your Monitored Final Exam.

It is worth repeating many times ...

New York State Insurance Department PROHIBITS you from accessing a Final Exam unless you are under the Direct Supervision of a NYS Approved Monitor

Your Final Exam will launch from the GE Insurance School website after you pass the course

Green Light Exam

Web-ED/XAM-NET NAVIGATION

By clicking on your XAMNET option then again on Outline will pull up your XAM-NET Course Outline.

There is a Welcome screen followed by an examination of the Thompson Prometric Licensing Exam and Exam-Taking Techniques.

Schedule Your Licensing Exam

You can Schedule Your Exam from XAM-NET by following the link to the Prometric Website. Be sure you have your Certificate of Completion handy to record requested information and your credit card to secure an exam date and time. The Prometric site has a section where you can search for exam site location and schedules.

Simulate Your Exam

The Simulate Your Exam Link will reproduce your Licensing Exam in the following manner:

Time: 2½ Hours

Questions: 150

Topics: Weighted exactly the same as your Licensing Exam

You receive a **Score Report** and an **Exam Analysis** to help measure where you are in terms of your probability of passing your Licensing exam.

Web-ED/XAM-NET NAVIGATION

Study by Topic

Topical Study will help you “Buck-Up” on your weak areas identified in the Score Report & Analysis. Each topical area has 10 questions randomly selected from the Exam Bank with an exam analysis when you finish. We suggest taking short Topical Tests often.

The screenshot displays a web interface for 'Irene Student'. At the top, it says 'WELCOME TO Topical Study, Exam Simulation, & Green Light (XAMNET1755)'. Below this, there are several navigation links: 'Main', 'Outline', 'Discussion Forum', 'Exam Center', 'Course Schedule', 'Profile', and 'Log Off'. A 'Switch Course...' dropdown menu is also visible. On the right side, there is a vertical list of study topics, each in a blue button: 'Study Annuities', 'Study Taxation: Life/Annuities', 'Study Qualified Plans', 'ACCIDENT & HEALTH TOPICS' (highlighted in yellow), 'Study A&H Basics', 'Study Health Provisions', and 'Study Disability'.

All the Exam Topics will be available for you to test on an as needed basis.

Green Light Exam

The Green Light is a one-time Exam Sim with questions you’ve not seen before. An excellent barometer to measure your preparedness to pass your Licensing Exam.
